

"My heart was racing... it was unbelievable. I waited for two years for a moment like this. Three spinal surgeries later, and I can't tell you how many times I lay there in the hospital praying that I would have a moment like this... just one more moment. I can't thank you enough for what you've done for me, Sabine... and you too Regalo... there is something so magical about him... so beyond, I will never forget this moment."
